**Additional Comments:**

**It is recommended that approved purchasers maintain contact with me so that when the breeding has taken place, I can inform you of the possible whelping date once the puppies are born; a non-refundable amount of \$200.00 is required to reserve a puppy. Should I determine another breed may better suit your needs, I would be happy to assist you with information and to recommend breeders. Thank you for taking the time and effort to complete this questionnaire.**
